Oliver Schäfer is an Attorney-at-Law and advises in the fields of intellectual property and copyright law.

Legal Practice

Oliver Schäfer was admitted to the Munich bar in 2023.

In the field of intellectual property, he specialises in patent law and copyright law.

Patent litigation is at the centre of his patent law practice. Oliver Schäfer assists in patent infringement proceedings and prosecutes patent infringements out of court.

Oliver Schäfer also advises on copyright law issues. The focus of his work is on the interface between copyright law and technical developments. A particular focus is on providing legal support for current developments in artificial intelligence, such as the legally compliant implementation of AI systems in work processes.

Mr Schäfer's range of advice in the field of intellectual property law also includes trademark and competition law issues.
